**Pickering, ON. L1V 1A8**

Hello and Happy New Year!

It is with great appreciation that I wish to thank you for your support for St. Paul's-on-the-Hill Community Food Bank this holiday season.

The past few years have brought forward many new challenges, resulting in an increase of clients who need assistance. It is only with your donations and support that we have been able to meet this demand and continue helping our community.

The Food Bank works throughout the entire year to provide assistance to the community, but the holidays represent a special time where all families deserve to feel love and happiness. The Christmas Hamper program has, once again, played a huge part in making this a reality. With over 200 packages distributed, the hampers contained a variety of gift cards for food and retail, as well as family games and treats. Winter hats and mittens were also made available for families to take as needed.

The members and clients of St. Paul's-on-the-Hill Community Food Bank are sincerely grateful for your contribution. Wishing you all the best this coming year.

Kim Cahill
